# Fall Exotic Game Sale

The following are guidelines set forth to ensure the quality and integrity of the sale. This sale is intended to sell the highest quality of animals in the industry.

Management has the final decision to accept or decline any consignments and to video animals when the animal's safety is in question.

## Required Tests and Tags

- 1) All cattle (Watusi, Buffalo, Water Buffalo, etc...) must be TB and BANGS tested 2 weeks prior to arrival.
- 2) All sheep must have SCRAPIES tags prior to arrival. Animals not tagged will not be accepted into the sale.
- 3) All Elk must have a legible approved ear tag (RFID tag or simply a plastic flap or bangle tag). Animals not tagged will not be accepted into the sale.
